CEILING SOLUTIONS

WOODWORKS™

# Woodworks™ Grille Tegular

Warm, natural wood ceiling panels create dramatic lines adding a unique perspective to your design.

**Bamboo**  
Naturally  
Renewable and  
Sustainable

## Benefits

- Sustainable: Rapidly Renewable solid bamboo blades and slats
- Easy installation on standard Black PeakForm Prelude XL 24mm Tee Grid
- Panels available in two pre-designed configurations: Horizontal Slats or Vertical Blades
- Acoustic options for quieter, less reverberant spaces
- Two standard bamboo finishes
- Two standard panel sizes

## Bamboo Colours

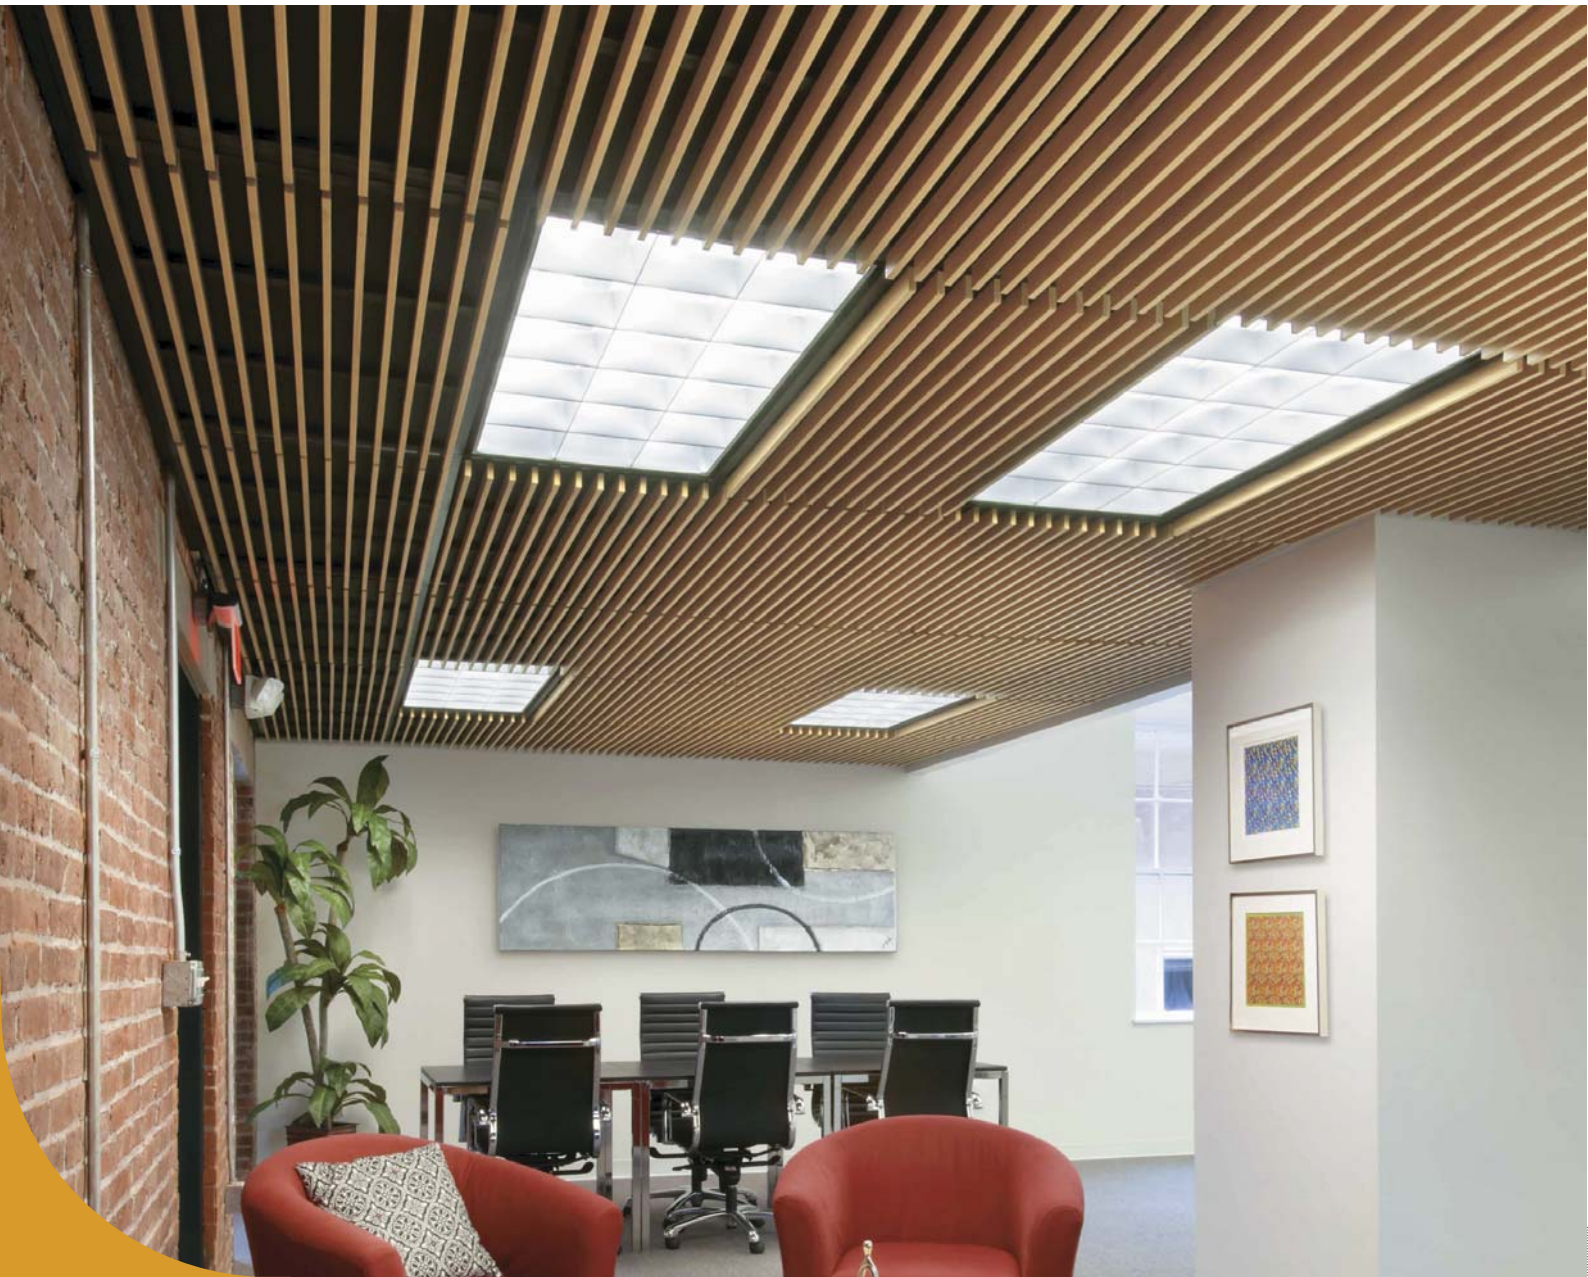

Natural Bamboo  
(NA)

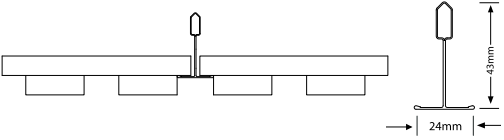

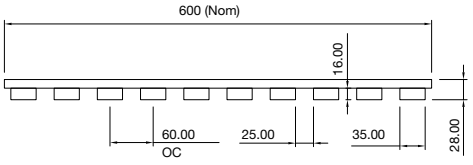

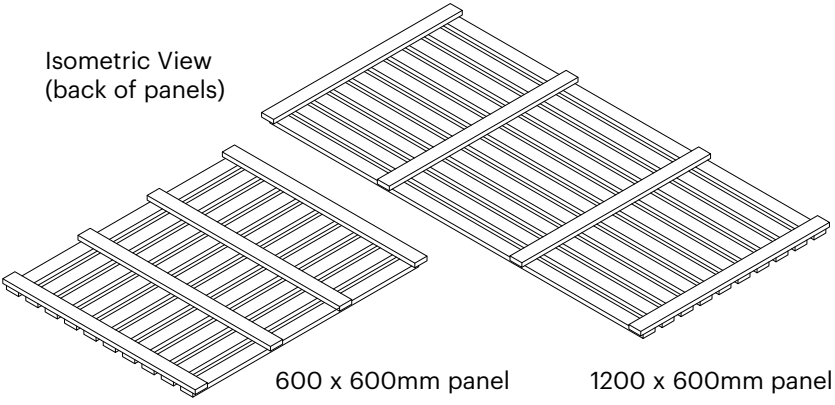

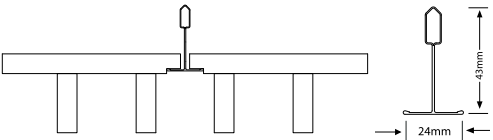

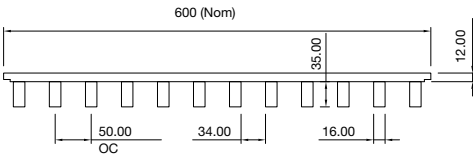

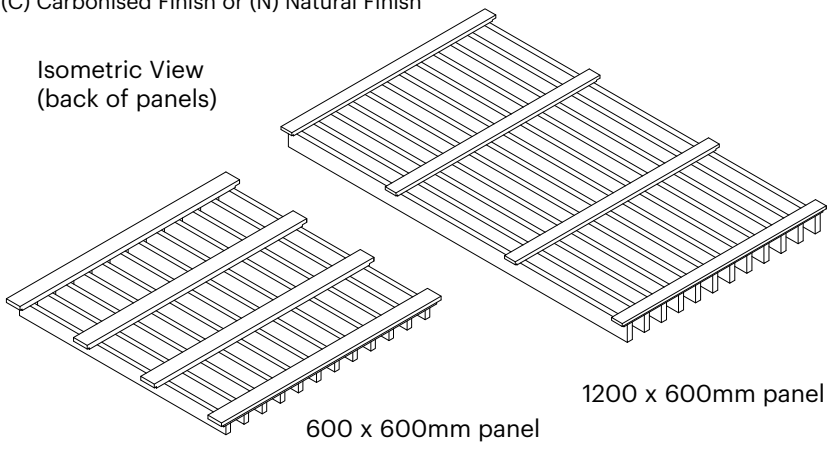

Carbonized Bamboo  
(CA)

Colours are representative and may vary from samples and actual product.

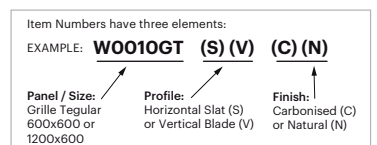

# Physical Data

## Product Selection
